

SAFETY FIRST PLAN

CREATING SAFE & SUCCESSFUL LIVE EVENTS IN A COVID WORLD.

Changes are taking place at our events.
With Shepard, You Can.

To support the production and maintenance of clean and healthy environments—both at Shepard offices and event sites—we've implemented a series of solutions and standards for all associates and event personnel.

Our Commitment!

Shepard is committed to partnering with our facility, organizer and vendor partners to implement an enhanced safety environment.

Masks Required

Associates and union personnel are required to wear a mask while working at Shepard offices and event sites.

Health Screening

Associates and union personnel are required to complete a daily health screening before reporting in for work.

Temperature Check

Shepard is conducting a temperature check for all personnel entering Shepard offices and event sites.

Hand Hygiene

Personnel is required to follow hand hygiene protocols placed in all restrooms and break areas.

Safety Signage

Shepard signage with health and safety reminders are placed at entrance and exit points.

Hand Sanitizing Stations

Hand sanitizing stations are placed at Shepard check-in areas and work stations.

Exhibitor Service Center

Area has enhanced safety measures, including sneeze guards to protect customer service associates and customers during all interactions.

Daily Safety Briefings

We have incorporated COVID-19 preventative practices into existing daily safety briefings.

Social Distancing/No Contact Rule

Personnel is encouraged to keep a distance of at least 6 feet away from other associates in all areas. Please refrain from physical contact greetings.

COVID-19 Training

All associates are required to complete training and courses on COVID-19 safety and infectious disease prevention.

Team Meeting Areas

General meeting areas will follow social distancing guidelines and any additional preventative measures.
